# 1 About this plan

## **Which doctors, hospitals and pharmacies can I use?**

Cigna True Choice Medicare (PPO) has a network of doctors, hospitals, pharmacies, and other providers. You may also choose to use providers that are out-of-network and there will not be a change to your copay or coinsurance.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's *Provider and Pharmacy Directory* at our website, [CignaMedicare.com/group/MAresources](https://CignaMedicare.com/group/MAresources).

## **What do we cover?**

Like all Medicare health plans, we cover everything that Original Medicare covers-and more.

- > Our customers get all of the benefits covered by Original Medicare.
- > Our customers also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this *Summary of Benefits*.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- > You can see the plan's complete *Comprehensive Prescription Drug List* which lists the Part D prescription drugs along with any restrictions on our website, myCigna.com.
- > Or, call us and we will send you a copy of the plan's *Comprehensive Prescription Drug List*.

## 2 Monthly Premium, Deductible & Limits

Benefit	Cigna True Choice Medicare (PPO)
How much is the monthly premium?	Please contact your Plan Sponsor. In addition, you must keep paying your Medicare Part B premium.
How much is the medical deductible?	<b>\$203</b> per year for medical services.
How much is the Prescription Drugs Deductible?	<b>\$0</b> per year for Part D prescription drugs.
Is there any limit on how much I will pay for my covered services?	<p>Original Medicare does not have annual limits on out-of-pocket costs.</p> <p>Your yearly limit(s) in this plan:</p> <p><b>\$203</b> for services you receive from in-network and out-of-network providers combined for Medicare-covered benefits.</p> <p>This limit is the most you pay for copays, coinsurance and other costs for Medicare services for the year. If you reach the limit on out-of-pocket costs, you keep getting in-network and out-of-network covered hospital and medical services and we will pay the full cost for the rest of the year.</p> <p>Please note that you will still need to pay your monthly premiums and cost-sharing for your Part D prescription drugs.</p>
