

## SCHOOL NUTRITION MANAGEMENT

### I. PURPOSE

To improve access to and provide all students of Shelby County Schools with school meals.

### II. SCOPE

This policy applies to all Shelby County Schools' students and the district-wide school nutrition program.

### III. POLICY STATEMENT

The Shelby County Schools system will operate a School Meal Program in each school under the supervision of the office responsible for Nutrition Services in accordance with guidelines established by the USDA, State Department of Education, and the Shelby County Board of Education.

The District shall make available to students nutritious meals through participation in the National School Lunch Program, School Breakfast Program, and Child and Adult Care ("After School Supper") Program. Meals served shall meet federal nutrition guidelines and the cost to students for meals shall be in accordance with federal standards.

Students shall also be permitted to bring their lunches from home and to purchase beverages and incidental items if provided.

Vending machines located in schools must be approved in accordance with guidelines established by the Superintendent or his/her designee to guarantee compliance with applicable state and federal laws, rules, and regulations.

#### **IV. RESPONSIBILITY**

- A. The office responsible for nutrition services is responsible for ensuring that school meal programs are in compliance with federal and state guidelines.
- B. The Superintendent is responsible for ensuring that this policy is followed.
