### QUESTIONS AND ANSWERS

#### **RFP 052225LB SEL Curriculum**

1. Regarding the requirement for bi-weekly data reports and dashboards, can the district specify the preferred data metrics, report format, and whether integration with existing SIS/LMS platforms is expected or required?
  - **We would like the vendor to provide bi-weekly reports that include, at minimum, student participation rates, SEL assessment scores, trends, and demographic breakdowns by grade level and subgroup.**
2. Can the district clarify whether the expectation is for the SEL curriculum to be implemented across all grade levels (PreK–12), or if there are specific priority bands (e.g., elementary, middle, high school) for initial rollout or phased implementation?
  - **The SEL curriculum will be implemented across all grade levels (PreK-12).**
3. Can the district provide an anticipated award date and projected implementation timeline, including when selected vendors may begin onboarding, training, and rollout activities with schools?

**The timeline will depend on the time frame needed to complete the scoring and evaluation process, the board meeting, and approval.**

#### **Tentative Timeline:**

- **Anticipated award date – late June to early July 2025**
- **Vendor onboarding – August 2025**
- **SEL curriculum Rollout – September 2025**

Thank you,
