QUESTIONS AND ANSWERS

RFP 042125LB Waste Management Services

- 1) As for the RFP itself, are we required to do the following per what it states on the website?
Please reference below

- Stakeholder must submit a requisition with an estimated dollar amount for the purchase.
- The stakeholder must complete the Scope of Services Form located on Procurement Services' website (click on 'Doing Business with MSCS' and click on 'Manager and Employee Resources' to view and download form) and email it to: procurementservices@scsk12.org

Answer: This is for internal stakeholders, not vendors.

- 2) Are all SCBE containers the same size at all locations? If so, are you able to provide this size (4yd, 6yd, 8yd)

Answer: See Addendum IIII posted on procurement services website

- 3) Pricing provided needs to be for service 5x week and will be adjusted accordingly once custodial managers determine service levels correct (please see highlighted section below)? Pricing needs to be at \$2.20 per cubic yard for estimated annually cubic yard at 375,0000

The number of trash containers located at each of the Facilities and the number of pick-ups at each of the Facilities will be scheduled by SCBE office of Custodial Operations

Answer: See Addendum IIII posted on procurement services website

- 4) Should pricing that is submitted on appendix be price firm all three years or can there be price increased capped at certain % year to year? Is price adjustments only allowed during renewal?

Answer: See Addendum IIII posted on procurement services website

- 5) Is there a copy of the RFP that was submitted for Waste Services in 2020 for reference?

Answer: On the procurement services site, under Bids and RFPs, select year 2020 and search for the solicitation.

- 6) Will drivers have to go through CRIMINAL BACKGROUND CHECK or need PHOTO IDENTIFICATION BADGE?

Answer: Yes

- 7) Tab G – Pricing needs to be included on the original appendix that was provided and needs to state pricing for all below:
open forty (40) cubic yard dumpster: \$520 per container
Cost for additional pick-up: \$100
Cost for compact waste collection unit: \$400

Answer: See Addendum IIII posted on procurement services website

- 8) Does SCBE own their own open 40-yard dumpster and compact waste collection unit?

Answer: See Addendum IIII posted on procurement services website

- 9) The pricing for the first 3 years, and years 4 and 5 are the same pricing that was set 5 years ago in the bid specs.

Over the past 5 years we have seen CPI rise to over 9% and gas go over \$5.00 a gallon, not to mention all the other increases to do business.

Are these the rates that have to be agreed on, or do we have the ability to give you the price per yard that is necessary to do business today?

Answer: See Addendum IIII posted on procurement services website

Thank you,

Procurement Services
