2. Is column E the expected annual usage (1 year)?
Answer: Column E is how many cases we expect to purchase throughout the year, that number is subject to change.
3. Is there printing on the corrugated boxes or just plain kraft?
Answer: The boxes should be plain kraft boxes
4. Stock number 5029, they don't list the dimensions or the gauge of the product. It also says its machine stretch film and machine stretch film rarely comes in cases. Need to verify what exactly this is so we can quote.
Answer: For stock number 5029 the gauge of the approved brand is 63. The dimensions are 20 x 5000. The pack size should be listed as a roll. We will put out an addendum updating this information.

Thank you,
