To: All School Principals and Administrative Staff

From: Victoria Locklyn, Buyer

Subject: Copier Contract- Rental and Purchase

The Shelby County Schools District has contracts in place for four (4) different volume categories for black and white copiers and two (2) volume categories for color copiers.

Copier purchases and rentals will be made from Ricoh Business Solutions. All copier rentals will be for 36 months with no exceptions.

All school sites and administrative offices are to contact sales representative, Andrew Smith at (901)562-4587 or [andrew.smith@ricoh-usa.com](mailto:andrew.smith@ricoh-usa.com) before placing a request. This representative will provide information on the equipment that will be most efficient for your location.

All maintenance costs are quoted as a cost per copy to include all supplies with the exception of paper. Maintenance costs will NOT increase upon renewal of any contract, nor may they increase within the 36 month contract term. Maximum response time for a service call will be 4 hours.

All machines are new. No reconditioned machines will be accepted. All copiers will include a base unit with stand, two (2) or four (4) paper drawers, and RADF and automatic duplexing. Please see the attachment below for the different options that may be available for each category of copier.

A monthly **rental** and **maintenance** fee applies to each copier. Please submit one (1) single requisition in APECS to cover both the rental and maintenance fees for a twelve (12) month period. A blanket P.O. will be created to cover any payments due.

Please call Purchasing at 416-5376 if there are any questions.
