Printer and Scanner Annual Contract
Vendor: Technology Express (Vendor Number: 48198)
Bid #1312, 7-22-13

Before ordering a printer that you intend to connect to the **network**, please verify that you have a working network port available in the room to be installed. If you are unsure, please call the IT Services Desk @ 901 416-2700 **BEFORE** ordering. **The installing printer dealer will NOT be able to setup the printer if no network port is available nor will they return later if no network port is available.**

The following information is to be used when completing a request for Printers and/or Scanners.

NOTE: Each Printer and/or Scanner order must include **Manufacturer, Model Number and Description** (highlighted in yellow). All requests for purchase of Printer and/or Scanner must be submitted via APECS. For questions, please contact **Andre Z. Woods** at 416-5414.

IT Department does not recommend the purchase of the extended 3 yr Warranty
