

COMMIT TO SCS

For over 150 years, our schools have been ingrained in the fabric of our neighborhoods and the identity of our community. The authentic character and soul that defines the 901 is reflected in every one of our schools, and the success of SCS is tied to the economic vitality of Greater Memphis.

Become a change champion and help us **REIMAGINE THE WAY WE DELIVER EDUCATION IN THE 901!**

Please provide me with more information on how my organization can substantially support the following District initiatives (*Check all that apply*):

Our Boys Need Us

Support the District's African-American male empowerment initiative to strategically propel our African-American boys to become our next generation of scholars and leaders.

3rd Grade Commitment

Become an official sponsor of the 3rd Grade Commitment by addressing some of the disadvantages and disparities around literacy.

College, Career and Technical Education

Support the District's 40+ pathways that lead to high-wage, high-demand degrees and careers by becoming a strategic partner to expose our students to multiple opportunities for learning, training and job placement in local industries.

Enrichment Programs

Support a variety of enrichment programs for students to expand their school learning experience (i.e., Summer Learning Academy, Spring Break Learning Academy, Arts, Music).

Reimagining 901

Support our plan to create new 21st-century learning offerings for students across our community by hosting information sessions, raise awareness, and advocate.
