

EFieldTrip Quick Reference Guide

The Electronic Field Trip (eFieldTrip) system is our web-based program for computerizing your field trip transportation when using Durham School Services (Durham). It allows schools and district office personnel to request field trip bus transportation and allows transportation personnel to approve or deny such requests.

EFieldTrip is only for placing an order for a bus. It **DOES NOT** replace district procedures and approvals in place for requesting permission to take a field trip. The principal must log into the eFieldTrip system to approve all bus requests (this includes requests submitted using the principal's username and password). If your principal does not approve the bus request in the eFieldTrip system, the bus will not be sent by Durham. . Additionally, all schools and district office locations must provide Durham with a purchase order number prior to a bus being dispatched. Bus orders originated by SCS District office personnel, and that will be paid by the district office, DO NOT require the principal's approval in eFieldTrip.

Durham requests a three day advanced notice for buses. The bus cost is \$36.57 per hour (subject to change based on contract terms) with a minimum charge of two hours round trip. Generally, morning departure times will be 9:30 am; however Durham may be able to service a very limited number of requests with an earlier departure time. All students must be returned to school by 1:30 pm in order for drivers to run their home-to-school routes timely. The earliest departure time for afternoon trips is generally 4:30 pm; however Durham may be able to accommodate a limited number of earlier departure times based on driver availability.

If you need to cancel a bus, after the principal has approved the request, send an email to MemphisFieldTrips@durhamschoolservices.com and copy Audrey Williams, williamsal@scsk12.org. You will be billed a \$73.14 minimum call-out charge if a bus is not cancelled within two hours of the requested pickup time.
