

Bus Student Code of Conduct

The school bus serves as an extension of the school. Any student who rides the school bus (i.e., Durham/MATA) for the privilege of being transported to and from school, may be suspended from the school bus by an Assistant Principal, Vice Principal or Principal. Any student riding the bus must remain in compliance with the Shelby County Schools Student Code of Conduct (Policy 6050 & Policy 6022).

Policy 6022: F. Suspension From the School/MATA Bus

Please note the following:

- Decisions involving temporary/ permanent removal from school bus or MATA bus ridership will be made by the principal.
- In such cases, the student would have to find another means of transportation to school.
- Truancy laws would still be in effect.
- **Additional disciplinary actions may also apply when bus-related misconduct involves a violation of the Student Code of Conduct.**

Violations that occur on the bus may also result in parent/administrative conferences, detentions, and suspensions from the school environment. In such cases, this may also result in suspension from the bus for violations that affect the transportation process. Penalties and consequences are determined by the categories below.
