

THE CAPITAL CONNECTION

Shelby County Board of Education Capital Needs and Facilities Committee Update

MEETING SUMMARY

On June 21, the Capital Needs and Facilities Committee meeting discussed the sale of Caldwell Elementary School, Cypress Middle School, and Carnes Elementary School. Other building updates include the Egypt Elementary School roof upgrades and Kingsbury Middle/High School HVAC replacement. Additional items discussed include Education Logistics, Inc., Siemens Building Technologies, Behavior Based Energy Conservation, and Epidemiology & Laboratory Capacity (ELC) Services. DONATIONS

SMITH AND NEPHEW

During the committee meeting, the Board of Education was presented a Humanitarian Product Donation from Smith & Nephew for the District-Wide distribution of 25,000 face shields for staff and students. These supplies will assist in the continuous efforts in protecting the SCS Family from COVID-19. The donated face shields are valued at \$25,000. These donations help solidify the continued partnership with local vendors to create stronger communities.

DEPARTMENT OF EXCEPTIONAL CHILDREN AND HEALTH SERVICES

Recommendations were made to approve the donation from the Department of Exceptional Children and Health Services totaling \$50,000 to five schools in the District. (A.B. Hill Elementary, Alcy Elementary, Riverview K-8, Hamilton K-8, and Hamilton High School in the Shelby County School Nurse Pilot Program. Each school will receive \$10,000. This donation is expected to aid in community support for student attendances during the re-entry phase.

ATHLETIC UPDATES

ATHLETIC PRACTICE FIELDS AND STADIUMS OVERVIEW

During the committee meeting, an overview of the current status of all athletic practice fields and stadiums were presented. The analysis was based on many criteria including current needs of each field or stadium, the health/safety/accessibility, year of last stadium improvements, community impact/use, impact of District athletic events, and if the school has a multi-sport facility. FACILITIES UPDATE

CENTRALIZED BUILDING AUTOMATION CONTROL SYSTEM

District staff presented a contract for Siemens, Inc. to service and maintain the District's centralized building automation control system. This will help the District's efforts to provide on-time thermal comfort, good indoor air quality, and maintain a healthy, high performing learning environment. The maintenance of the District building automation system is necessary to maintain efficiency, provide logic for system operation, and provide for expeditious troubleshooting.
