

SCS 3GC

Third Grade Commitment Cycle of Support

01

A 3GC Success Measure is Triggered: Report Card Grade, Formative Assessment - Mastery Connect, Universal Screener Assessment - Illuminate Fastbridge, Summative Assessment - TCAP.

02

Teachers, 3GC Team Lead, 3GC school level team and school leadership team will begin looking at school level data to complete the 3GC Student Progress Report and ensure that any absent students have taken any required assessments.

03

School-level 3GC teams and Central Office teams will track the implementation of Academic Support plans, intervention usage, individualized support from Specialized Education Assistants, etc.

04

Schools send the 3GC Student Progress report home with their student and teachers also use any approved messaging systems (Remind, Power School, Class Dojo, etc.) to inform parents that this information is coming home with their student.

05

School level 3GC teams and Central office teams will track that Academic Support Plans are in place, all pertinent interventions are occurring, that teachers and Specialized Education Assistants are providing individualized support, etc.

06

Promotion and Retention determinations are made and will follow the guidelines in Policy 5013 Promotion and Retention.
