The SCBE shall bear no responsibility for monitoring the Contractor's compliance with said legal requirements. If the Contractor fails to maintain legal compliance, The SCBE may find said Contractor in default.

### **1. INVITATION TO BID**

- a. The SCBE invites all interested and qualified vendors to submit sealed bids for the procurement of goods and services in accordance with directions specified in the attached General Terms and Conditions and these Special Terms and Conditions.
- b. Bidder may be asked to submit supporting documentation for bid analysis in reference to Shelby County Schools Local Preference Purchasing Program (Policy #2011).

### **2. GENERAL BID REQUIREMENTS**

- a. **SINGLE PRICE:** The Bidder will not be allowed to offer more than one price on each item even though the Bidder may feel that it has two or more types or styles that will meet specifications. Bidder must determine which to offer. If said Bidder should submit more than one price on any item, all prices for that item will be rejected.
- b. **AGGREGATE BIDS:** Where provision is made on the Bid form for bidding items on an individual, group or aggregate basis, the award will be made on whichever basis is in the best interest of the SCBE. When an aggregate bid is requested, the unit prices for each item shall be identified in the bid response. The unit prices in an aggregate bid should be consistent with the total quoted price for an aggregate bid. No bid or a combination of items will be permitted except as noted in the General Terms and Conditions.
- c. **COMPLIANCE WITH SPECIFICATIONS:** The awarded Bidder shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part as the true intent and meaning of the specifications, as decided by the Procurement Director. Where the requirements of the specifications call for higher grade and are not in conflict with the laws, ordinances, etc., the specifications shall govern. Where the requirements of the laws, ordinances, etc., are mandatory, they shall govern. The successful bidder, after award and before manufacture and/or shipment, may be required to submit working drawings or detailed descriptive data identified as acceptable to The SCBE, which would provide sufficient data to enable The SCBE to judge the bidder's compliance with the specifications.
- d. **DEVIATIONS TO SPECIFICATIONS:** Any deviation from the specifications must be noted in detail by the Bidder, in writing, as an attachment to the bid response. Bidders are fully aware that any deviations may render their bid as non-responsive. The absence of a written list of specification deviations attached to the bid response will hold the Bidder strictly accountable to The SCBE to the specification as written. After Bid award, any deviation by the Awarded Bidder from the specifications, without prior documented approval, will be grounds for rejection of the goods and/or equipment when delivered.
- e. **SUB-CONTRACTORS:** The Awarded Vendor shall give its constant personal attention to the faithful execution of this contract, shall keep the same under its own control, and shall not assign by power of attorney or otherwise, the work or any part thereof without the previous written consent of the SCBE. The Awarded Bidder shall provide the name of the sub-contractor(s) it intends employing, the portion of the materials/labor to be furnished, their place of business, and

- f. **COOPERATIVE PURCHASING:** The SCBE reserves the right to extend the terms and conditions of this solicitation to any and all other agencies within the State of Tennessee as well as any other federal, state, municipal, county, or local governmental agency under the jurisdiction of the United States and its territories. This shall include but not limited to private schools, parochial schools, non-public schools such as charter schools, special districts, intermediate units, non-profit agencies providing services on behalf of government, and/or state, community and/or private colleges/universities that require these goods, commodities and/or services. This is conditioned upon mutual agreement of all parties pursuant to special requirements, which may be appended thereto. The supplier/contractor agrees to notify the issuing body of those entities that wish to use any contract resulting from this bid and will also provide usage information, which may be requested. A copy of the contract pricing and the bid requirements incorporated in this contract will be supplied to requesting agencies.

Each participating jurisdiction or agency shall enter into its own contract with the Awarded Bidder(s) and this contract shall be binding only upon the principals signing such an agreement. Invoices shall be submitted in duplicate "directly" to the ordering jurisdiction for each unit purchased. Disputes over the execution of any contract shall be the responsibility of the participating jurisdiction or agency that entered into that contract. Disputes must be resolved solely between the participating agency and the Awarded Bidder. The SCBE does not assume any responsibility other than to obtain pricing for the specifications provided.

### 3. PRICES

- a. **UNIT PRICES:** Unit Prices must be rounded off to no more than two (2) decimal places, unless so specified in the General Terms and Conditions included with the bid request. - h. **Conditions and Assumptions:** All Bids and related documents submitted shall be based on the same conditions and assumptions that will underlie any prospective final contract between SCBE and the successful Bidder. Thus, in establishing the terms of any resulting contract, SCBE may assume the conditions and assumptions underlying the Bid submitted by the successful Bidder are accurate.
- i. **Ethics in Public Contracting:** By submitting its Bid, Bidder certifies that its Bid is submitted without collusion or fraud, that it has not offered or received any kickback or inducement from any other Bidder, supplier, manufacturer, subcontractor, customer or other person in connection with its Bid and that it has not conferred on any public employee or official having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, employment, service or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

Notwithstanding, the SCBE Director of Purchasing reserves the right to decide, on a case by case basis, in his or her sole discretion, whether to reject such a Bid.
- m. **Errors or Omissions:** The Bidder shall not be allowed to take advantage of any errors or omissions in the specifications set forth in this IFB. ## **LOCAL PREFERENCE PURCHASING**

### **I. PURPOSE**

To give a local preference to businesses located in Shelby County, Tennessee for the purchase of supplies, materials, equipment, and services.

### **II. SCOPE**

This policy applies to District level contracts with a total dollar purchase amount of \$10,000 or more.

### **III. DEFINITION**

- A. Local Preference Purchasing means giving preference to businesses located within Shelby County, Tennessee in the purchase of personal property, materials, and contractual services and in constructing improvements to real property or to existing structures.
- B. Local Business means a vendor or contractor who holds a valid license to do business in Shelby County, Tennessee; has a street address within the limits of said locality for a continuous period of at least six (6) months prior to bid or proposal opening date; and has proof that Shelby County Personal Taxes are current (applies to local businesses who have been doing business in Shelby County, Tennessee for a year or more).

### **IV. POLICY STATEMENT**

The Shelby County Board of Education recognizes that a significant amount of funds are spent on purchasing personal property, materials, and contractual services and in constructing improvements to real property or to existing structures. The Board also recognizes that dollars used in making purchases are derived largely from revenues generated from businesses located within Shelby County, Tennessee. The Board believes that funds generated in the community should be placed back into the local economy. Therefore, it is the policy of Shelby County Board of Education to provide a preference to local businesses in procurement transactions whenever the application of such a preference is reasonable in light of the dollar-value of proposals received in relation to such expenditures.

In the bidding of, or letting for procurement of supplies, materials, equipment and services, with a total price of ten thousand (\$10,000.00) dollars or more, if the lowest responsive bidder is a regional or nonlocal business, then all bids received from Local Businesses are decreased by five (5) percent. The original bid is not changed; the five

(5) percent is calculated only for the purpose of determining the Local Preference. The Local Preference cost differential is not to exceed one hundred thousand dollars (\$100,000.00).

In the case of request for proposals, letters of interest, best evaluated bids, qualifications or other solicitations and competitive negotiation and selection in which objective factors are used to evaluate the responses, Local Businesses will be assigned five (5) percent of the total evaluation points up to a maximum of five (5) points.

In the event of a tie between a local and non-local business, favor shall be given to the Local Business and a coin toss method will be used to break ties between two (2) or more local businesses meeting said specifications.

### **Exceptions**

This preference shall not apply to purchases or contracts that are funded in whole or in part by a governmental entity if the laws, regulations or policies governing such funding prohibit application of the Local Preference; when exigent emergency conditions or noncompetitive situations exist; and when a particular purchase, contract, or category of contracts for which SCS is the awarding authority is waived upon written justification and recommendation of the Board.

### **Restrictions**

The Local Preference shall apply to District level purchases only. The preference shall apply to new contracts for supplies, materials, equipment, and services first solicited after January 29, 2013.

## **V. RESPONSIBILITY**

- A. The "users" of services are responsible for furnishing an objective evaluation of their needs and for identifying the specifications of the services to be delivered.
- B. The Chief Financial Officer is responsible for developing final specifications and obtaining all bids, requests for proposals, and contracted service agreements.
- C. The Chief Financial Officer is responsible for ensuring that all services have been properly approved and all procedures followed before signing contractual agreements.
- D. The Superintendent is responsible for ensuring compliance with this policy.
