BOXLIGHT PROCOLOR SERIES 3

Learning and Collaborations made Brilliant

Boxlight Panels enhance classroom instruction and engagement for both students and teachers. Interactive panels with touch technology help bring the teacher/student collaboration experience to life. Deliver great instruction and have multiple students work together on a brilliant, LED-illuminated 4K UHD 20-touch display.

Available in three different sizes, **65"**, **75"** and **86"** models, offering all the features of a touch-driven interactive whiteboard with the simplicity and elegance of a state-of-the-art, ultra-high-definition LCD display. Let us help you determine what size works best for your interactive teaching experience.

KEY FEATURES:

- Up to 20 single-point users or 10 dual-touch users can work simultaneously
- Teachers can control the panel from anywhere in the classroom and/or share their screen with students via Teams
- Teachers can use and save content directly from their Google Drive or Office 365 cloud accounts
- 4K video resolution, built in stereo speakers and LED backlighting for energy efficiency
- Built-in high-power Android 8+ OS for touch control and wide selection of apps
- A glove/mitten can be worn by students to interact with the panel, helping to eliminate the spread of germs
- Students/teachers can use their own chosen stylus (*Any stylus will work with the panel*)

INCLUDES:

MimioConnect: An online platform for delivering interactive lessons to students wherever they may be, providing a perfect solution for distance, flipped or blended learning environments.

UnPlug'd: A screen mirroring software that allows laptops, chromebooks and mobile devices to mirror content to the interactive panel.

MimioStudio: A classroom software that allows teachers to create and deliver collaborative lessons, as well as convert existing ActiveInspire and Smart lessons.

Network Device Management: A cloud-based software that provides the ability to control and report on the operation of panels through one easy-to-use portal.

Professional Development: Regardless of the quantity of panels purchased, customized professional development for each school/teacher. Virtual training is also available if preferred.

7-year Onsite Warranty: Panel will be repaired or replaced within 48 business hrs.

PRICING:

- 65" Panel - **\$1,735**
- 75" Panel - **\$2,240**
- 86" Panel - **\$3,100**

(Install/Removal: \$250)
